## 071 - Love Changes Everything

### Verse 1

(Soprano/Alto) Love, love changes everything:

Hands and faces, earth and sky.

(Bass/Tenor) Love, love changes everything:

How you live and how you die.

(Soprano/Alto) Love can make the Summer fly

Or a night seem like a lifetime.

(Bass/Tenor) Yes love, love changes everything;

Now I tremble at your name.

(All) Nothing in the world will ever be the same.

### Verse 2

(Soprano/Alto) Love, love changes everything:

Days are longer, words mean more.

(Bass/Tenor) Love, love changes everything:

Pain is deeper than before.

(Soprano/Alto) Love will turn your world around

And that world will last forever.

(Bass/Tenor) Yes love, love changes everything;

Brings you glory, brings you shame.

(All) Nothing in the world will ever be the same.

### [Key change]

### Verse 3

(Bass/Tenor) Off into the world we go,

Planning futures, shaping years.

(Soprano/Alto) Love bursts in and suddenly,

All our wisdom disappears.

(Bass/Tenor) Love makes fools of everyone,

All the rules we make are broken.

(Soprano/Alto) Yes love, love changes everything;

Live or perish in its flame

(All) Love will never never let you be the same.

Love will never never let you be the same.

*A song from the musical theatre production, Aspects Of Love, by Andrew Lloyd Webber.*
