"It's My Party" is a pop song recorded by multiple artists since the 1960s. Words and music by Herb Wiener, Wally Gold and John Gluck Jr. In 1963, American singer Lesley Gore's version hit number one on the pop and rhythm and blues charts in the US. It was the first hit single for producer Quincy Jones. The flip side single is Judy's Turn To Cry where the singer kisses another boy at another party in order to make Johnny jealous and Johnny hits the other boy and returns to his first love.
