

BEN Lyrics Don Black. Music Walter Scharf

Ben the two of us need **look** no more
We both found what we were **looking** for.
With a friend to call my **own**
I'll never be **alone**
And you my friend will **see**
You've got a friend in / me.
(*Ladies: You've got a friend in me*)

Ben, you're always running **here** and there (*Ladies: here and there*)
You feel you're not wanted **anywhere** (*Ladies: anywhere*)
If you ever look **behind**
And don't like what you **find**
There's something you should **know**
You've got a place to / go (*Ladies: got a place to go*)

Middle 8: I **used** to say---

I and me---

Now it's us---

Now it's we---

(*Ladies only*) I **used** to say---

I and me---

Now it's us---

Now it's we---

(Men only) **Ben**, most people would turn **you** away *(Ladies: turn you away)*

I don't listen to a **word** they say *(Ladies: a word they say)*

(All) **They** don't see you as I **do**

I wish they would try **to**

I'm sure they'd think **again**

If they had a friend like **Ben**.

(Ladies) Like **Ben**

(Men) Like **Ben**

(Ladies) Like **Ben**

(All) Like **Ben**.
