VERSE 1

(S +A) **When you're down and troubled**
and you need some love and care
And no-thin', no-thin' is goin' right,
Close your eyes and think of me
And soon I will be there
To bright-en up even your darkest night.

CHORUS

(ALL) You just call out my name
And you know wherever I am
I'll come runnin' to see you again—
Winter, spring, summer or fall—
All you have to do is call—
And I'll be there— You've got a friend

VERSE 2

(B+T) **If the sky above you**
Grows dark and full of clouds
And that ol'--- north wind begins to blow.
Keep your head to-geth-er
And call my name out loud;
Soon you'll hear me knockin' at your door.

CHORUS

You just call out my name
And you know wherever I am

I'll come runnin' to see you again—
Winter, spring, summer or fall—
All you have to do is call—
And I'll be there, yes I will...

BRIDGE

(S+A) **Now ain't it good to know that you've got a**
friend
When peo-ple can be so cold?
(B+T) **They'll hurt you, yes and desert you**
And take your soul if you let them
(ALL) Oh, but don't you let them.

CHORUS

You just call out my name
And you know wherever I am
I'll come runnin' to see you again—
Winter, spring, summer or fall—
All you have to do is call—
And I'll be there, yes I will
You've got a friend.
