X20 - Let It Snow!

Oh the weather outside is frightful,
But the fire is so delightful,
And since we've no place to go,
Let it snow, let it snow, let it snow.

It doesn't show signs of stopping,
And I brought some corn for popping,
The lights are turned way down low,
Let it snow, let it snow, let it snow.

Bridge

When we finally kiss good-night,
How I hate going out in the storm,
But if you'll really hold me tight,
All the way home I'll be warm.

The fire is slowly dying,
And my dear we're still good-bye-ing,
But as long as you love me so,
Let it snow, let it snow, let it snow.

And I brought some corn for popping,
The lights are turned way down low,
Let it snow, let it snow, let it snow.
